

New York State Public Entities Safety Group 497

A Distinguished History of Workers' Compensation Solutions

For more than 35 years, New York State Public Entities Safety Group 497 has been providing Workers' Compensation insurance solutions to New York municipalities, volunteer fire districts and various other public entities. With a program rich in history, it's vital to ensure the appropriate Workers' Compensation coverage is in place for the dedicated people who serve our communities. Safety Group 497 is available to New York's Public Entities including municipalities, volunteer fire districts, libraries, water & sewer authorities, and other political sub-divisions.
